How to Graduate in the School of Holiness Principle 10: Scare Yourself

By Rev. Sergio Scataglini

Scare Yourself a little bit with Galatians 5:17: *The acts of the sinful nature are obvious: sexual immorality, impurity, debauchery...*

Did you hear that? Not only sexual immorality, but impurity. Some people never commit adultery, never commit fornication, but their thoughts are impure, and they will not make it into the Kingdom of Heaven. Something needs to change.

Verse 20: idolatry, witchcraft, hatred... if you hate someone, if you hate another pastor, if you hate your wife, you are out of the will of God. Something needs to change.

Discord, jealousy... some people don't believe this. Many Christians read this, but they don't believe it. They believe that God will send them to hell if they are immoral, but not because of jealousy. Some are very jealous of some other ministries in town, and hate it when other churches grow." Friend, if you are jealous, you will not make it. Something needs to change.

Fits of rage... if you get out of control, something needs to change.

Selfish ambition... in the ministry it is a constant danger.

Dissensions, factions... if

you are a divisive person, if you go to churches that are not like yours and you believe that these people don't have the Spirit. How can you say that? Any Christian has the Spirit. Any born-again person was born-again by the Spirit and the Word. It is impossible to be a Christian without the Spirit of God. They may not have the manifestations, they may have a different worship style.

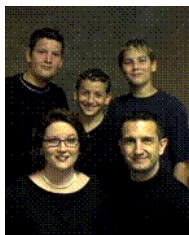

Friends, we need to love each other. We need to pray for each other. If you have passed by a church and said, yeah that church is dead, we need to change our vocabulary. And if it is really dead, make sure when you say it that tears run over your cheek. Let brokenness come to you.

Envy, drunkenness, orgies and the like, I warn you as I did before... and this is not to

Scataglini Family News

by Kathleen Scataglini

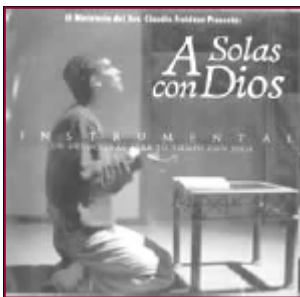

We have been praying live on the internet six days a week for several weeks. The sense of expectation is growing, as we are joined by pastors

and friends from many different nations. We are praying for an increase in the miraculous—in the manifest power of God—in our lives and ministries. He will be glorified!

These meetings began in response to our son's eye and brain injuries he suffered at the beginning of

the summer. We now know that God is going to do so much more than heal only our son, Miq! We have begun to hear the testimonies of others being healed, as we pray for them in these meetings. You can join us in prayer at www.comunionet.com, Mon.-Sat., 7 pm CT. ☐

Testimonies

My name is Ricardo and I am a pastor in Bogotá, Columbia. I received the book, *The Twelve Transgressions* as a gift from a friend. God has shown us the need in our church to minister in the topic of Holiness and this book is an excellent tool.

Ricardo, Columbia

I leaving for a business meeting and while waiting for the plane in the airport I started reading his book. [*The Fire of His Holiness*]

Tears began to roll down my cheeks, uncontrollably. The Holy Spirit brought conviction to my heart of the sins in my life and the absence of holiness in my life. I have read several books with different topics and of different Christian authors, but this book was jumping into my heart and the Holy Spirit was speaking to me directly, by means of you.

I give thanks to God for having allowed this

book to come to my hands. I am not the same as before reading it. My heart and soul are eternally grateful.

School of Holiness (Cont'd)

pagans, this is written to the church of Galatia. *I warn you as I did before that those who live like this will not inherit the Kingdom of God.*

So, I have bad news for the Body of Christ. It doesn't matter how much anointing you have, it doesn't matter if you heal the sick, it doesn't matter if you prophesy and your prophecies become true. That is not a guarantee to go to heaven.

I was shocked when I re-read that passage where Jesus said in that day many, many will come and say "Lord, Lord, in Your name we prophesied, we healed the sick, we cast out devils. Now can we get in?" And Jesus will say to those who were disobedient and unholy, I have nothing to do with you.

I can't imagine precious Christians saying, Jesus, remember the ministry I had in my church, I prayed for the sick. Remember that? Can I get in now? And Jesus would answer probably to many, yes, you prayed for the sick, and I healed the sick, but then you went home to watch pornography; then you went home to scream at your wife. We need a change. We need a transformation.

This message is not for those who are doing well. The healthy do not need a doctor. This message is for those who know in their hearts that there is sin in your life. I invite you to come to the altars of repentance. Allow the Holy Spirit to change those things in your heart.

We thank those of you who faithfully support us each month. You are a blessing, as you enable us to move forward with the things that God has called us to do.
