How to Graduate in the School of Holiness

Principle I: Be Baptized with the Fire of God By Sergio Scataglini

Rev. Sergio Scataglini

We are studying ten principles to help us graduate in the School of Holiness. Graduation, as we know, is the beginning rather than the end.

The first principle is: **Be baptized with the fire of God.** Acts 1:8 says, "You will receive power when the Holy Spirit comes upon you, and you will be My witnesses." In Matthew 3:16, John the

Baptist says, "I baptize you with water for repentance. But One comes after me who is stronger than I. He will baptize you with the Holy Spirit and with fire."

Many Christians have the baptism of the Holy Spirit, but no fire.

I had a collision with God

Seven and a half years ago, I was looking for church growth. I was desiring more anointing in my ministry. Then I had an encounter with God—it was actually more like a collision!

I was standing in front of a congregation, as a visiting guest, and the power of God came upon me. I fell to the ground and for six days, was shaken under the power of God. The first two

days were glorious. I could feel the fire of God in my bones.

However, the third day was different. The Holiness of God began to descend in my room, and I was terrified. I began to cry out, "God, don't destroy me."

I had spent years of praying for revival and now the glory of the Lord was coming close to me, and I thought I was going to die. Sometimes God has to do unusual things to get our attention.

Friend, even if you are in ministry, your heart can deceive you. That day when the Holiness of God descended in my life, I was broken and I repented from the sins He revealed to me. He sealed in me a desire to walk in purity, power and passion for the rest of my life. If you have not experienced this baptism of fire, ask Him for it. Seek Him, and you shall find Him. †

C-Net News

This is an exciting month, as we look toward the future of Comunionet (our internet church) and try to imagine all that God will do through us.

Even now, we are preparing the School of Leaders to be taught online. These are a series of intense lessons that will help to raise up leaders

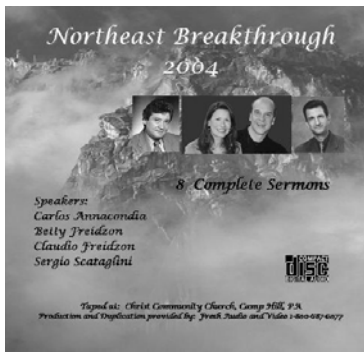

in the church body.

As we move forward, we have begun the task of translating all of our Cell Lessons and School of Leader lessons into English. Our goal is to begin our English branch of the church in January 2006.

I wish to extend a special

thank you to all of the translators who have graciously volunteered their time and efforts. You are a valuable part of this ministry.

If you too would be interested in helping us translate materials from Spanish to English, please write to us at info@scataglini.com.♥

Testimony from the Internet

I am writing to tell you that about a year ago, I bought your book, *The Fire of His Holiness*. It was a huge blessing for my life. When I finished reading your book,

I prayed the prayer of faith, as your book says to do. The presence of God just flowed over me. I just pray that my wife and I would be an example of holiness, that God desires His children, to the world . *Juan, USA*

Scataglini Ministries Needs You!

Have you ever been blessed by the ministry of Scataglini Ministries? We receive testimonies from around the world daily of how God is using this ministry to change and transform lives.

This month and in the next few weeks, Sergio will be calling pastors and leaders with a proposal and a request.

THE PROPOSAL is to celebrate together in virtual meetings. To bring a message of holiness directly to your church through the internet,

without the need to arrange for travel and accommodations.

THE REQUEST: He will be asking many leaders to consider adopting SMI as part of the mission of their church. Sergio has been delighted by the warm reception of the Pastors he has already contacted. If you are already interested in this proposal and request, it would be great to hear from you. Just call our office at 1-877-551-7729 to schedule a virtual meeting or to "adopt" SMI as part of your church mission. □
