## Ministerial Holiness (Part VII)

By Rev. Sergio Scataglini

**W**e continue this month with our look at holiness for leadership, as we study Zechariah chapter 3.

Step 6 in Ministerial Holiness is:

**Live a holiness of relationship, not of rules only**

In Zechariah 3:8, the Angel said to Joshua, "Listen O high priest Joshua and your associates... who are men symbolic of things to come."

Joshua had a set of friends and the angel

was helping Joshua through his friends, called "symbolic men" in this scripture.

Each of us needs friends that will inspire us to keep strong in holiness. If you are still "alone", God is going to give you friends in your city. You cannot work alone. The Lord helps us through angels and through friends.

I have a pastor friend in Brazil who once told me, "Sergio, I want to walk with you and tell you a story." He continued, "Sergio, you will never believe me. I come from a good family, from a good moral background. I have been married for years; I have a good marriage and

have never faced too great sexual temptations before. I am going to be very honest with you."

He went on to assure me he had not practiced sexual immorality, but that a year earlier, he got into a mental obsession with sexual immorality. He told me he would see obscenities, even with his eyes open. It was very strong. He was already a Pastor at this time and did not know whether or not this thing was going to destroy his ministry.

He paused and said to me, "Do you know what I did? I went to a group of pastors in my city." He had a group of symbolic men around him in his life—his friends in the ministry.

## We Have Gone Virtual! by Sergio Scataglini

Since receiving the baptism of fire in 1997, I have been traveling non-stop around the world and have visited more than 40 nations, carrying the message of repentance and the fire of God. **However, the**

**time has come!** The Lord is directing us to turn our ministry into a **Virtual Mission of Holiness** to the world. This means that I will cease traveling and make virtual meetings my priority. We plan to

serve more churches and more people via internet than we have reached in person. In the process, we are beginning to fulfill our mission to conquer the internet. Please pray for this new venture!

**By Carlos Annacondia** This is the true story of Carlos Annacondia, a humble man whose ministry has ignited an amazing revival to Argentina and was influential in many other parts of the world. It's the story of how one man confronted the devil, in the authority and name of Jesus, and experienced extraordinary results.

## Testimonies

I just finished reading "The Fire of His Holiness". What an awesome experience. I am one of the pastors at a non-denominational church in Crockett, TX. We have been seeking God's glory and holiness for about a year now and believe a breakthrough is close... We want to lead our flock to a closer walk with God and help them understand how important it is to live in holiness.

Thanks so much for the work you do and your obedience to the Lord.  
*Randy, Texas*

Dear Pastor Sergio:  
God bless you! I am writing from Colombia. Together with my husband, we pastor a church in Cali. Last week I finished reading your book, "The Twelve Transgressions" and it has truly been a blessing for my life and ministry.

*Yuly, Cali, Colombia*

Dear Brother Sergio: I wanted to tell you that your ministry is a blessing for my life. Since you prayed for me in Mexico City, my

life has been changed.

*Daniel, Mexico City, Mexico*

## Ministerial Holiness

(continued)

We need friends who are counselors. This brother went to a Pastors meeting and told them, "Friends, I have a problem", and he shared his story.

Praise God that these pastors were true friends. They did not beat him over the head with the Bible. They began to pray with him and for him and he was set free of those obscene images. Never again did he have this problem; he was no longer obsessed with immorality.

A few months later, a warlock from the city got saved. When he saw this Pastor, he told him, "Did you know that in the city there are ten satanic temples

and they have a list of people that they want to destroy? Those on the list are all pastors. They pray to the devil so that their marriages will be ruined. Pastor, you were number one on all of those lists."

The occult in that city got into agreement to destroy the marriage and ministry of this man. But this servant of God went to the symbolic men in his life—his friends and fellow servants—and he asked for prayer and he was set free. FREE!

Men and women of God, we do not have to be defeated. God will protect us, but we must be willing to be accountable to and count on those God has placed in our lives. □

**We are in need of faithful, monthly supporters to help us continue to reach out to the nations. To send your support, make your check out to SMI and mail it in the enclosed envelope. You can also give monthly by credit card. Call our office or visit our website to get set up.**
