How to Graduate in the School of Holiness Principle 2: Do Something Radical

Rev. Sergio Scataglini

We are studying ten principles to Graduate in the School of Holiness. Principle #2 is to **Do Something Radical.**

As I travel to the nations, I stay in a number of hotels. Many times I am by myself. I do not trust myself very much; I trust Jesus. So the first thing I do in my hotel room is to cover the TV set with a towel and open the Bible on top of it!

Then I pray that God will bless the room and remove all the iniquity from that room. After the meetings, many times I get to my hotel room very tired; my will power is very low. If I sit there and let the world entertain me, I am at high risk.

However, holiness is not a bunch of rules. It is obedience to the Holy Spirit.

HOLINESS IS OBEDIENCE TO THE HOLY SPIRIT

Sometimes that requires us to do something radical.

In Matthew 5:29, Jesus said, "If your right eye causes you to sin, gouge it out and throw it away. It is better for you to lose one part of your body than

for your whole body to be thrown into hell."

I believe there is a principle behind this. Jesus is saying, "Do something strong; do something radical against your sin." If you are hooked to pornography, and you take your right eye out, you still have a problem—your left eye!

Let me put this in modern terminology. If your cable, TV set or internet is causing you to sin, get rid of it! Call the cable company and say, "Thanks, but no thanks." It is better for you to go to heaven without cable. . . you finish the sentence. We need to do something radical and begin to fear God more than we fear man.

Something else that is radical is learning to flee. We do not feel dignified when we escape. I am

It's here! The Virtual School of Leaders is here!

Just as we have many people in many nations logging online to attend cell meetings and Sunday service, our congregation can now be raised up to become leaders through our School of Leaders, no matter

where they are in the world.

The School of Leaders is a series of intense lessons that will help to raise up leaders in the church body.

Discipleship is crucial to raising good leaders. Hebrews 6:1 & 3, "Therefore let us leave the elementary

teachings about Christ and go on to maturity...And God permitting, we will do so."

Milk is good for a time, but as we transition into the "meat" of the gospel, the body becomes strengthened. We are looking to supply the meat for maturity and strength. ♥

Testimony from the Internet

Pastor Sergio: I want to thank you from the bottom of my heart for your words and for letting God use you. Truly your life has been an inspiration for me as well as for a group of

young men here in New York. Since we were in the Breakthrough, our lives have been totally different. Our services have been explosive and our hunger for God is growing.

sure Joseph did not either, when he fled from Potiphar's wife. He even ended up leaving a piece of his clothing behind.

I was in an airport, when this very beautiful young lady began walking toward me. I knew she was coming to start a conversation and I thought, "I'm going to preach the Gospel to this young lady." I was ready for it.

As she was approaching me, I heard the Holy Spirit say, "I did not send her to you". When I heard that, I was not scared, I was terrified. To this day, I do not remember what the conversation was all about, because it

lasted only two to three seconds. I ran from that place. I must admit, I felt like a fool. I was thinking, "What is this lady going to think of me?" But then I had another thought, "What is God going to think of me?"

Some people are entangled in the wrong relationships because they refuse to hear the voice of the Holy Spirit. So many times we will fall in sin and then blame God and say, "Why didn't You protect me?" God is constantly speaking to our hearts, if we would open our ears to Him. It is good to be radical for Christ and avoid sin in our lives. †
