## How to Graduate in the School of Holiness

### Principle 8: Exchange Passions

### Principle 9: Become Accountable

By Rev. Sergio Scataglini

I remember one day standing in

front of my desk, I looked at all the pending files and notes from my parishioners which were still unanswered and said, "I am going to focus only on *my* ministry and my church. I am going to pull away from so much community involvement." Then I had to ask myself, "Am I a selfish person?"

When you are serving only your ministry, you are not sure you are really serving God. However, when you are serving the Kingdom of God,

you know you are serving Him.

One of the ways to graduate in the School of Holiness is to exchange passions. Instead of a passion for sin, we want to have a passion for ministry. Jesus calls us to take on His yoke, to accept some responsibility. He calls us to take up our cross and follow Him. We need to be willing to work, to suffer, to give for His cause. Consciously exchanging our old passions for His is going to help us to graduate in the School of Holiness.

While in Spain, a woman came and placed her cell phone on the platform. After the meeting, the pastor and I went to talk to her and asked why she had left her phone

there. She said it was because she uses the cell phone to call her lover. Up to that day, she had been in an adulterous relationship. Now she was wanting to cancel that relationship. That meant getting rid of the phone. We said to her, "Well done".

This lady came to the altars of the Lord to exchange passions. No more passion for adultery. She came to serve God.

### Principle# 9

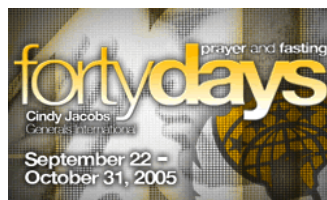

### Become Accountable

We need accountability in the Body of Christ. There is a huge need to be genuine and real.

There are times, while learning in the School of Holiness, we need to do something very difficult. When we

## forty days of prayer and fasting by Kathleen Scataglini

We have been praying live on the internet six days a week for the past few months. It started out as a

time to pray for a miracle for our son, Miqueas. We soon realized that God wanted to do more than heal just our son. We began to pray for others and have seen healings and miracles.

We recently received a call from our dear friend, Cindy Jacobs. She invited

Sergio to be a part of the forty days of prayer and fasting event that she is organizing for Sept. 22—Oct. 31, 2005. This is a call to the body of Christ to fast and pray for miracles! **By Carlos Annacondia** This is the true story of Carlos Annacondia, a humble man whose ministry has ignited an amazing revival to Argentina and was influential in many other parts of the world. It's the story of how one man confronted the devil, in the authority and name of Jesus, and experienced extraordinary results.

## Testimonies

I am reading *The Fire of His Holiness* and it is a blessing to my life and I want this fire of God for me, also. May the peace of God be with your life.

*Maria, Portugal*

My name is Albert, male, Tanzanian, age 27, born again. I thank God to give me an opportunity to write this message to you. One day my sister in Christ gave me the book titled *The Fire of His Holiness*. After reading the book real my life changed from that point. As a

young person faced by many challenges of life, the teachings of holiness have been of very help to my daily life and have made me seek much the help of God in my daily life. May the living God bless you much for writing the book. It is my prayer to God that I live a holy life.

*Albert, Tanzania*

I wrote to you a few months ago and asked for prayer for my brother-in-law who was diagnosed with melanoma cancer. He was to

begin chemotherapy. Yet, recently the doctor told us he does not need chemotherapy. The cancer is gone.

## School of Holiness (Cont'd)

are bound to something that we are too weak to fight, we need to admit it, first to ourselves, then seek a seasoned man or woman of God and ask for help.

One day a preacher with an international ministry came to my house. He was desperate. He said, "Pastor Sergio, I have been considering suicide for six months now. It was six months ago that I was curious about adult material on the internet. Since that time, I became hooked to pornography. I hate myself. I hate this sin."

Hatred against sin alone will not save you. Remorse will not save you. Judas had remorse and he

hung himself. Peter had repentance and he was transformed.

Some people only feel bad about themselves, but they do not do anything. But this brother did something. He came to our house and we wept together. He said, "I have fallen into adultery and caused disaster in my life." But he repented and God began to restore him.

At my urging, he began to see a wise counselor. Today I can tell you that this man has been restored. Instead of becoming another casualty, he has been purified by the power of God. He became accountable to the Body of Christ.

Be willing to put your pride aside and be broken before the Lord. ☐

We thank those of you who faithfully support us each month. You are a blessing, as you enable us to move forward with the things that God has called us to do.
